RE: Name Change for Itasca and Ontario SteriPro Laboratory Facilities

To Whom It May Concern,

This letter is to inform customers and vendors of the following changes to our organization.

STERIPRO LABORATORIES IN ITASCA ILLINOIS AND ONTARIO CALIFORNIA WILL BE CHANGING NAMES TO NELSON LABORATORIES

Nelson Laboratories announced previously of being acquired by Sterigenics International, LLC, now Sotera Health. As part of this acquisition, SteriPro Labs is being integrated into the Sotera Health company Nelson Labs.

In 2017 we were able to integrate the North American SteriPro Labs into the Nelson Labs quality system and to harmonize and standardize our test offerings. We also received ISO 17025 Accreditation for the Itasca and Ontario laboratories.

Beginning 01 Feb 2018, we will be officially changing the names of the Itasca, Illinois and Ontario, California SteriPro Laboratories to Nelson Laboratories, LLC.

This change will affect you as follows:

- Any items shipped to the Itasca and Ontario labs with a receipt date on or before 31 January 2018 will be processed as usual through SteriPro Labs
- Items shipped to the Itasca and Ontario labs with a receipt date starting 01 February 2018 will process as Nelson Laboratories.
- Below is some additional information to help with this change:
 - To expedite the process and assure accuracy of your test submission, we ask that you please include a completed copy of the Nelson Labs' Sample Submission Form (SSF) located on the company's website
 - Upon receipt of your first submission you will receive an invite to track your studies and retrieve your reports via the Nelson Laboratories Secure Portal
 - The name on your testing reports and invoices will be Nelson Laboratories, LLC
 - Payment information will change to Nelson Laboratories, LLC

For questions, please feel free to contact me personally or our customer service team at 1-800-826-2088.

Sincerely,

Jeff Hone
Vice President, EMEAA and Global Quality
Nelson Laboratories, LLC
